

YOUR SONG

Elton John

Intro:

Mib LAb/MIb SIb/MIb LAb/MIb

Mib LAb7+

It's a little bit funny

SIb/RE SOLm

this feeling inside

DOm DOm/SIb

I'm not one of those who can

LAm7/5- LAb

easily hide

Mib/SIb SIb

don't have much money but

SOL7/SI DOm

boy if I did

Mib FAm7

I'd buy a big house where

LAB SIb SIb4 SIb

we both could live

Mib LAb7+

If I was a sculptor, heh

SIb/RE SOLm

but then again, no

DOm DOm/SIb

Or a man who makes potions in a

Am7/5- LAb7+

traveling show, I

Mib/SIb SIb

know it's not much

SOL7/SI DOm

but it's the best I can do

Mib FAm7

My gift is my song and
LAb**** **MI**b**** **MI**b**4** **MI**b****
this one's for you

SIb**/RE** **DO**m****
And you can tell everybody

FAm**7** **LA**b****
this is your song

SIb**/RE** **DO**m****
It may be quite simple but

FAm**7** **LA**b****
now that it's done

DOm****
I hope you don't mind

DOm**/SI**b****
I hope you don't mind

LAm**7/5-** **LA**b**6**
that I put down in words

MIb**/SO**L**** **LA**b**7+**
How wonderful life is
 LAb**6** **SI**b**** **SI**b**4** **SI**b****
while you're in the world

MIb**** **LA**b**/MI**b**** **SI**b**/MI**b**** **LA**b**/MI**b****

MIb**** **LA**b**7+**
I sat on the roof

SIb**/RE** **SO**L**m**
and kicked off the moss

DOm**** **DO**m**/SI**b****
Well-a-few of the verses
 LAm**7/5-** **LA**b**7+**

well-they've-got-me quite cross
MIb**/SI**b**** **SI**b****

But the sun's been quite kind

SOL**7/SI** **DO**m****
while I wrote this song

MIb**** **FA**m**7**
It's for people like you that

LAb**** **SI**b**** **SI**b**4** **SI**b****
keep it turned on

MIb**** **LA**b**7+**
So excuse me forgettin

SIb**/RE** **SO**L**m**
but these things I do

DOm**** **DO**m**/SI**b****
You see I've forgotten

LAm**7/5-** **LA**b****
if they're green or they're blue

Mib/Sib **Sib**
Anyway the-thing-is
 SOL7/SI **DOm**
what-I-really mean
Mib **FAm7**
Yours are the sweetest eyes
LA b **Mib** **Mib4** **Mib**
I've ever seen

Sib/RE **DOm**
And you can tell everybody
FAm7 **LA b**
this is your song
Sib/RE **DOm**
It may be quite simple but
FAm7 **LA b**
now that it's done
DOm

I hope you don't mind
DOm/Sib
I hope you don't mind
LAm7/5- **LA b6**
that I put down in words
 Mib/SOL **LA b7+**
How wonderful life is
 LA b6 **Sib**
while you're in the world
DOm

I hope you don't mind
DOm/Sib
I hope you don't mind
LAm7/5- **LA b6**
that I put down in words
 Mib/SOL **LA b7+**
How wonderful life is,
 LA b6 **Mib**
while you're in the world

LA b/Mib **Sib/Mib** **LA b/Mib** **Mib**
